About Us

Our mission at Toronto Humane Society is to promote the humane care and protection of all animals and to prevent cruelty and suffering. The day-to-day operation of Toronto Humane Society involves the direct handling of lost, abandoned, unwanted and injured pets. Those who need it receive veterinary care; abandoned animals are given a safe haven. Immature and injured animals are placed in foster care until they are strong enough to be placed for adoption. Toronto Humane Society also provides several community programs to provide support to pet owners that
